FIRE PREVENTION CIRCULAR

To All Airport Staff and Fire Safety Managers

LUNAR SEVENTH MONTH PRAYERS - FIRE SAFETY PRECAUTIONS

The Lunar Seventh Month for 2023 is from 16 August to 14 September 2023.

2 We wish to remind all staff performing prayers during the Lunar Seventh Month to adhere to the following fire safety precautions:

- a) Burning of offerings are strictly prohibited inside buildings and airside.
- b) Burning of offerings at landside is permitted ONLY from 16 August to 14 September 2023 at designated burning site (refer to Annex A & B1 – B4 for details).
- c) Burning of offerings shall be contained within CAG approved burning bins; and
- d) Portable dry powder fire extinguishers of a minimum rating of 21A are available at the burning sites (refer to Annex C on how to use an extinguisher)
- e) NO vehicle shall be parked in close proximity to the burning bins.

3 Do note that due to close proximity of Cargo Agent D to the CAFHI fuel tank, the designated burning site for Cargo Agent D (CAB D) will be combined with Cargo Agent Building E (CAB E) – refer to Annex B - 3.

4 For ad-hoc request on stand-alone burning site, please contact AES for site assessment.

5 For further clarifications, you may contact the Fire Prevention Section (FPS) of the Airport Emergency Service at 6541 2535 or e-mail to: fire.safety@changiairport.com
